

NAPPY BAG

DIAPER BAG with CHANGING PAD & STORAGE CASE

For the Stylin' Mom and Baby on the go! This hip and functional diaper bag design helps to keep everything under control. It's easy access design even keeps your cell phone right where you can reach it (and hear it)!

Materials list for Diaper Bag

- * 1 3/4 yard of light to mid-weight cotton for the exterior
- * 3 yards of light to mid-weight coordinating cotton for the lining
- * Cotton Canvas - 7/8 yard of 60" canvas or 1 3/4 yard of 45" canvas
- * 1 1/2 yards of lightweight fusible interfacing
- * 1" of 3/4" Sew-on Velcro
- * 1 spool of coordinating thread - I recommend cotton covered polyester thread.

Finished Dimensions: 24" wide x 29" tall

Materials list for the the Changing Pad and Storage Case

- * 3/4 yard of cotton Terry Cloth for the front of the Changing Pad
- * 7/8 yard of light to mid-weight coordinating cotton for the Changing Pad
- * 7/8 yard of a different light to mid-weight coordinating cotton for the Storage Case
- * 3/4 yard of cotton batting
- * 1 spool of coordinating thread - I recommend cotton covered polyester thread.

Finished dimensions: 18" wide x 24" long for the Changing Pad 5" wide x 19 1/2" tall for the Storage Case.
