

Megan's Bag Fabric Requirements

Made with heavier fabric this bag is perfect for fall and winter fashions. I personally love green, orange and brown together, but I'm sure you could come up with a color combination just as cute! Fabric selections should be at least 44" in width. This bag is just as adorable even without the argyle appliquéing.

*Outside Fabric	5/6 Yard	corduroy, heavy flannel OR something of similar weight
*Inside Fabric	1 Yard	lightweight cotton in a fun coordinating color & pattern (plaid is preppy)
*Pockets, half of the argyle appliqué and outside of flap	2/3 Yard	corduroy, flannel, wool, fleece OR something of similar weight in a contrasting coordinating color
*Second half of argyle appliqué	1/8 Yard	corduroy, flannel, wool, fleece OR something of similar weight in a contrasting coordinating color diff. from the first half of the argyle
*Inner Lining	1 Yard	heavy canvas, or Pellon iron on fleece interfacing
*Other Supplies	A LARGE button, a 1" piece and a 2" piece of sew on ¼" Velcro, a spool of thread in a light contrasting color for appliquéing, light iron on adhesive for the argyle, and you may want to purchase a heavy duty needle.
