

# Sensational Shawl

A shawl that is sensational because it has such a unique shape, and it can be worn in a multitude of ways. Take the chill off, turn a plain outfit into a work of art, or add the shawl over a coat or jacket. Any way you wear it, you will feel sensational!

ONE SIZE

## SUGGESTED FABRICS:

Fabric with soft drape, including stretch velvet, slinky knit, novelty knits, rayon challis, burn out velvets, chiffons, bouclé, and any other fabric with drape.

Lining: Avoid slippery fabrics to help keep shawl from slipping off. Any of above fabrics will work for lining. The shawl is totally reversible, so pick two fabrics with different looks for the most versatility.
