## emma *Petal jumper, twirl skirt and petal purse for girls*

This easy-to-sew 3-piece set is as sweet and dainty as a pixie! The jumper-style top is light and airy for the warmer months and perfect for layering in cooler months. The skirt is extra full for maximum twirl power and looks just as great layered over tights or leggings. A cute little purse with felt petal details is the perfect accessory to finish off the look.

**SUGGESTED FABRICS:** quilting weight cottons, voile, eyelet, gauze, silk, lightweight linens and muslins, 44"/45" wide.
