

# #409 HALF-CIRCLE WRAP SKIRT

Feminine elegance returns in the lines of this wrap skirt. The half circle style has just the right amount of fullness at the hem and the wrap make fitting a breeze. With this pattern we have taken all the guess work out doing a half circle wrap skirt. We include a waist shaping pattern and instructions for marking your half circle skirt right onto your fabric before you cut, it's so easy. Just add the tie waist band and you are done!
