

# Flounce about Jacket

*Anytime, anywhere, keep your cash undercover and your hands free!*

Feel confident and feminine in our jacket designed to show off your best features and hide the rest. An empire band tapers at the sides to fall at the natural waist in back. The bands can be made from matching or contrasting fabric. The jacket is designed to be worn open, or closed with an optional loop and button closure at center front. The attractive flounce moves when you move while hiding four concealed pockets. All of the pockets have hook and loop closures to keep your valuables safe and secure. In this jacket, you will look smashing while you're dashing!

**FABRICS:** Light-weight wool, linen, silk, rayon, Tencel®, polyester micro fiber.
